157/24 To resolve the request from the Football Club to permanently leave the spoil to the left of the dugout as you look at it. Will be re-seeded and landscaped.

Phil Davies was invited to the meeting to represent the football club and reported that the new stand would be placed between the dugouts but will involve some digging out of the area behind. As the League will request a bigger 100 seater stand within the next 2 years, and to reduce the amount of traffic over the pitch, the club is requesting that they put the spoil from the new stand to the left of the dugout, spreading it out over a 30 metre area, compacting and flattening it down where able. This area will then be seeded and landscaped. The spoil can then be used when the stand is extended and they will also add disabled access to the 50 seater stand at that point.

RESOLVED TO SUPPORT THIS REQUEST.

158/24 To resolve the advertising on Leighton and Forden village facebook pages and selling of the recently cut down tree on the Sports Ground and other wood from last year.

Initials:

RESOLVED to advertise the wood on both village facebook pages. Add pictures. Best offer in by 9am Friday 30th May. To be removed on the first weekend in June (weather permitting), all waste materials cleared off site. Advised to go and see the wood first.

159/24 To resolve the request from the Fire Service to use the sports field for some level 1 line training in August.

RESOLVED to support this request - but football club have priority if there is a game.
